## Attainment Outcomes

### 2025-2026

| Early Years (60 Children) |                                                         |                                                                          |                                                                    |
|---------------------------|---------------------------------------------------------|--------------------------------------------------------------------------|--------------------------------------------------------------------|
|                           | Percentage of children with a good level of development | Percentage of children at expected level across all early learning goals | Average number of early learning goals at expected level per child |
| StJHN                     | 78.3                                                    | 78.5                                                                     | 16.23                                                              |
| National (2025)           | 68.3                                                    | 66.9                                                                     | 14.11                                                              |
| Difference                | +10                                                     | +11.6                                                                    | +2.12                                                              |

| Year 1 Phonics (60 Children) |                                            |
|------------------------------|--------------------------------------------|
|                              | Percentage of children achieving 32+ words |
| StJHN                        | 86.4                                       |
| National (2025)              | 80%                                        |
| Difference                   | +6.4%                                      |

| Year 2 Phonics (60 Children) |                                            |
|------------------------------|--------------------------------------------|
|                              | Percentage of children achieving 32+ words |
| StJHN                        | 98.33%                                     |
| National (2025)              | 89%                                        |
| Difference                   | +9.33%                                     |

| Year 4 Multiplication Tables Check (60 Children) |                           |                                                 |
|--------------------------------------------------|---------------------------|-------------------------------------------------|
|                                                  | Average Score (Out of 25) | Percentage of children achieving 25(Full Marks) |
| StJHN                                            | 23.12                     | 71.67                                           |
| National (2025)                                  | 21.00                     | 37                                              |
| Difference                                       | +2.12                     | +34.67                                          |

| End of Key Stage 2 Attainment (60 Children) |                                                                 |                                                             |
|---------------------------------------------|-----------------------------------------------------------------|-------------------------------------------------------------|
| Reading                                     | Percentage of children reaching the expected standard of higher | Percentage of children reaching meeting the higher standard |
| StJHN                                       | 78.33                                                           | 26.67                                                       |
